Inside Alumil: a Culture of Innovation Behind Global Success

Unveiling the Culture and Values Driving Global Success
of a Global Leader: A day at Alumni Plant in Kilikis

WEDNESDAY
3 DECEMBER 2025

Departure Time: 08:00 am
Meeting Point: Dodekanisou 23
Destination: ALUMIL Kilikis Plant

During this visit, students will step inside one of the most advanced aluminium companies in the world and observe how a distinctive culture, clear values, and disciplined practices drive global performance. This live, on-site case study will show how leaders and teams align strategy, technology, and people management to foster innovation, quality, and continuous improvement, connecting key Organisational Behaviour concepts to the daily reality of a high-performing international organisation.

In the context of the Organisational Behaviour module led by **Dr Giovanni Serafini**
