ThPA S.A.
PORT OF THESSALONIKI

During this visit to the Port of Thessaloniki, students will have the opportunity to learn how ThPA S.A. brings its regional supply chain to a new era by providing connectivity that facilitates business growth, fostering economic and social added value and respecting the mandate for a "green" future for our planet and the younger generations. Exploring the present and the future of the Port by a virtual tour via the modern 3D interactive model of ThPA S.A. students will experience how a major port operates and integrates into complex supply chain networks.
